Re: Cancellation of Storage Building Letting and Bid Opening February 19, 2019

We are cancelling the Bid Letting and Opening of the Storage Building for the Hart Garage that was originally scheduled for Tuesday February 19, 2019 at 2:00 pm pending the completion of a set of Engineered Plans that are required for construction. We will be reposting a new notice of the request for bids following the delivery of the plans to the Road Commission, and the plans will be made available to prospective bidders at that time.

Anyone wishing to be contacted individually regarding the new letting please contact the Road Commission and leave your company name, contact name, address and phone number.

Sincerely,

Mark Timmer
Managing Director
