

N O T I C E

Please do not park your vehicle on the roadway during the winter. It interferes with snow plowing. Parked vehicles are a hazard to our operators as well as motorists using the road.

Do not push snow onto or across the roadway when cleaning your driveway. This is a dangerous practice and Michigan Public Act No. 82 of 1978 makes this action unlawful and you responsible should it cause an accident.

You cooperation is appreciated. Thank you.
