## INSTRUCTION TO BIDDERS

Refer to the INVITATION TO BID for the exact timing and for the identification of the bid as related to furnishing materials, services, equipment, work and/or supplies with the terms, conditions, specifications, drawings, plans, and special provisions as stated herein and hereto attached.

The Board's normal practice is to have the bids opened and read, then referred to Staff for tabulation and analysis. During this period, the files are closed until this action is complete. Generally, this may involve three or four days depending upon the nature of the bid. Copies of the bid tabulations are made available only after this time and upon request to the Clerk, by email at [clerk@oceanacrc.org](mailto:clerk@oceanacrc.org) or phone (231) 873-4226.

1. All bids must be submitted on the Board's bid blank form when provided. The bid shall be legibly prepared in ink or typewriter. Erasures or alterations must be initialed by the bidder. The bidder must acknowledge all addendums. The bid shall be mailed or delivered. Separate bids shall be in a sealed envelope and identified on the outside as to the specific category concerned. Bids will not be accepted beyond the designated time limit set for the acceptance of the bids. The bidder shall assume full responsibility for late delivery or non-delivery regardless of the manner he/she employs for the transmission thereof. Bids will be accepted in the office on behalf of the Board during normal business hours, legal holidays excepted. Specifications and/or plans should not be returned with bid unless otherwise stated herein.

3. It is understood the Oceana County Road Commission is a governmental unit and as such exempt from the payment of all State and Federal taxes, except as allowed by the regulatory agencies to be included in the cost of materials and services.
4. The bidder, by execution of the bid proposal, thereby declares that the bid is made without collusion with any other person, firm, or cooperation, and agrees to furnish all bid items in strict accordance with all Federal regulatory measures.
5. **For the Bid Categories designated as "NEW", detailed contracts shall be signed by the selected bidder.
